

Complete this form and enclose it with your pension application if you have lived, worked as an employee or a self-employed person, or studied in some other country than Finland.

- i** State all the time periods that you have spent abroad. Also provide information concerning the countries from which you are not applying for a pension. You need not tell us about typical holiday trips. The information will be used to determine your entitlement to a pension in Finland and in other countries and when calculating the amount of your future pension.

If you have any documents concerning your stay abroad, e.g. certificates of employment and/or study certificates, please enclose copies of them.

If you apply for a survivors' pension, complete a separate Appendix U also concerning the deceased spouse's or guardian's stay abroad.
